SUGGESTED WORDING

“

Care65 is a preparation app that can help you remember what matters, keep track of changes and prepare a clear Care Summary, so you feel more prepared for appointments and changing care needs. You choose what to record and whether to share or discuss it.

”

PROVIDER REMINDER

Care65 is a preparation tool. It is not a medical service, clinical record or emergency service, and it does not replace professional advice.

In Australia, call Triple Zero (000) in an emergency.

For older people and those who support them.
